

Step 3

Setting up YOUR FREE MARKETING SYSTEM

You need to make sure that you have achieved 1.0 credits in ZNZ One and ZNZ Big Cash before proceeding this step. If YOU KNOW that you have completed enough offers to equal up to 1.0 credits in both ZNZ One and ZNZ Big Cash, BUT your Pink Bar is not yet BLUE or it doesn't SHOW that you have 1.0 credits, that's ok, it will... As long as you did enough offers. So in either case (you are showing 1.0 or YOU KNOW you did 1.0 worth of offers) you can proceed with step 3.

As I am sure you realize by now, these written instructions are open in a different window/tab. You can start the sign up process by clicking on the "Get your Free Marketing System" button on the Step 3 page.

So let's do it...

The first thing that you need to do is get your ZNZ One and ZNZ Big Cash ID #'s. To do so you can simply go back to the Main Webinar Page (www.paidtodaynow.info) stop the video **and click on Step 1 "Join ZNZ One"**

A screenshot of the PayPal website's "Business" section. The navigation bar includes "Home", "Personal", and "Business". Below the navigation bar, there are links for "Get to Know PayPal", "Pay Online", "Send Money", "Get Paid", and "Products & Services". The main content area features a photo of a smiling man in a red shirt sitting at a desk with a computer. To the right of the photo, the heading reads "START ACCEPTING PAYMENTS ONLINE IN JUST MINUTES". Below the heading, a paragraph states: "Over a million websites have set up online payments successfully with PayPal." A bulleted list follows: "Your buyers do not need a PayPal account", "No setup charges or monthly fees*", and "Easy to add to your website". Below the list, it says "Accept:" followed by logos for VISA, MasterCard, American Express, DISCOVER, and PayPal. At the bottom of the section, there is a yellow "START NOW" button and links for "Demo" and "Pricing".

VERY often is a EXTREMELY good idea because I am always adding NEW and effective ways to GET THIS MESSAGE OUT.

I call it a "Message" because for 16 years I have talked to literally 10's of Thousands of people who have been through the heartache and pain of giving it everything they have trying to make a success of it, only to have their hopes dashed and their bank accounts raided. I for one am so sick of hearing that you wouldn't believe. This is my attempt and your opportunity to help yourself by helping others and that is how it should be.

NOW: If you have finished the Step 3 setup, it is time to start Marketing, so go back to the Step 3 Video found on:

www.PaidTodayNow.info

Use the slider bar (the little thing that moves when the video plays) and move it to 13 minutes and watch the part about MARKETING. OR Go Back Up To The part of THESE Instructions that says:

****MARKETING****

At this point there is only one thing left to say:

JUST DO IT!

And as Winston Churchill said: "NEVER GIVE UP."
